Electrolux Professional

myPro Smart Professional Washer

Especially designed for small businesses –
the machine with a professional heart
and a green soul on a sensible budget

Perfect for small businesses such as
Small hotels and bed & breakfasts,
Small restaurants,
Hairdressing and beauty salons,
Office cleaning companies,
Out-of-home resident services
and more

**The only professional machine
on the market with A+++**

* Compared to domestic machines

Features and benefits

- ▶ **Superb capacity and performance:**
 - Process all laundry in one go thanks to generous 8 kg capacity
 - Best wash result and garment care thanks to unique Electrolux Speed Soak drum with 4.5 mm holes for efficient evacuation of debris
 - Lower your costs by choosing the only professional machine on the market with A+++ energy efficiency
 - Quicker and cheaper drying with max. moisture extraction at 1400 rpm
- ▶ **Up to 50% faster* and easy to use:**
 - 16 professional programs to meet every need, from energy-efficient and mild to disinfection and mop programs
 - Save time: normal programs up to 60 °C take 82 minutes (with cold water at 15 °C)
 - Reduce cycle time by an extra 12 minutes by using the hot water inlet
 - Flexible installation thanks to smart drain pump configuration
- ▶ **3 times longer lifetime*:**
 - Fantastic 7,500 cycles thanks to more durable machine construction with professional components
 - Less vibration thanks to highly effective shock absorbance system and optimally balanced components and panelling
 - No chemical corrosion thanks to stainless steel front and top
 - Gravity drain valve model also available for most demanding applications like facility management and elderly care

Accessories

- ▶ **Pedestal**
- ▶ **Stacking kit**

Main specifications at a glance

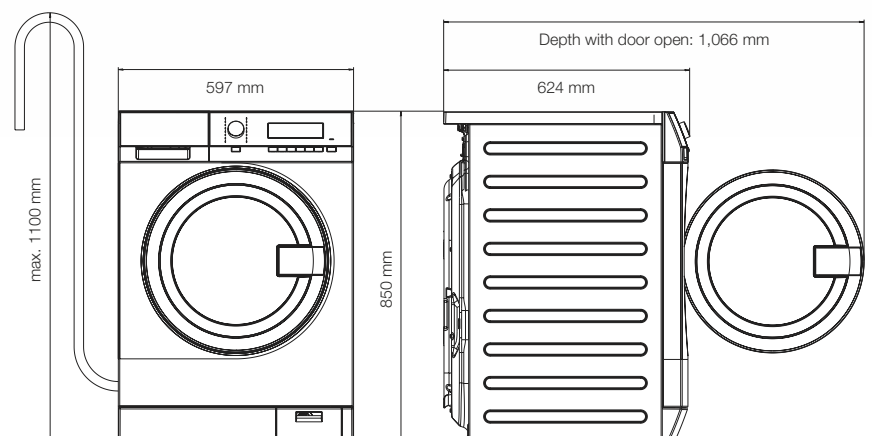

Washing capacity, kg	8
Spin speed, rpm	1,400
Energy efficiency class	A+++
Energy efficiency index, %	>36
Draining system	Drain pump/ Drain Valve

Consumption data

Program standard, cotton 60 °C, full load

Total time, min./cycle (hot water inlet)	70
Energy consumption, kWh	0.7
Water consumption (cold), l	65

Dimensions

myPro Smart Professional Washer

Specifications

Washing capacity, kg	8
Spin speed, rpm	1,400
Energy efficiency class	A+++
Noise level washing, dB(A)	46,9
Program proportionality	Full or not full load: the machine adapts
